

On 1-30-16, I Officer A Owen 3861 and Officer D Glover 3862 working as W154 were dispatched to ***** in reference to an assault call. Upon arrival, officers made contact with REP (Crowley, Colleen), who then told officers the following.

Colleen and her ex boyfriend, SUS (Manziel, Johnathan) had met up with each other earlier this evening while hanging out with a group of friends at the Zaza Hotel in Dallas, TX located at 2332 Leonard St. After the group of friends dispersed for the evening, Johnathan and Colleen were left alone together at the hotel. At this time, Colleen reported that Johnathan began [REDACTED] and aggressive towards her. Colleen described in incident at the Zaza Hotel in vague terms, explaining to officers that Johnathan was " " as if he were on some kind of drugs, but was also adamant about Johnathan not being intoxicated. Colleen was struck several times by Johnathan including a strike to her left ear which

[REDACTED]. Colleen and Johnathan then proceeded towards the exit of the hotel and Johnathan informed her that he was going to drive her home because he did not want her to drive while intoxicated.

Once downstairs at the exit of the hotel, Johnathan and Colleen both entered Colleen's vehicle, (Johnathan in the driver seat), and began driving to Fort Worth, where Colleen currently resides.

During the drive home, Johnathan continued with [REDACTED] several times [REDACTED]. Colleen told officers that Johnathan would go back and forth between shouting angrily and [REDACTED] while making claims [REDACTED]. Colleen said that Johnathan struck her several times while driving her vehicle back to Fort Worth, but again was somewhat vague on the details of the assault.

Colleen and Johnathan arrived back at her apartment located at 2101 Park Hill Dr some time in the early morning hours but Colleen informed officers that she does not have an approximate idea of what time it was. Officers asked Colleen if there was any further assault that occurred once they were back at her apartment in Fort Worth, and she began to become irritated with officer's questioning. Colleen did not report an assault at this location, and told officers that she was running in and out of her apartment through the front door in an attempt to get away from

Narrative

Johnathan. Colleen informed officers that she finally rushed out of the apartment and ran to a nearby neighbor's door to seek help. At that time, Johnathan then fled the area on foot in an unknown direction of travel.

As our investigation continued, Colleen became increasingly uncooperative, stating that she did not want to answer any more questions, did not want to fill out a statement or make a report, and did not want officers to photograph her or any of her injuries. Colleen was concerned at this point about [REDACTED] just before he fled her apartment on foot.

Officers notified Air One to conduct a fly over search of the area in an attempt to locate Johnathan, assuming he was still on foot nearby. Officer J Briles 3977 and B Magallon 3961 working as W161 were dispatched to assist in the search for Johnathan and drove through the area without successfully locating him. Colleen informed officers that Johnathan's parents lived nearby so I attempted to contact them to verify whether or not Johnathan had simply gone to his parents house after the incident. Colleen did not know the address where Johnathan's parents reside. I contacted Johnathan's mother (Michelle) at ***** and she informed me that she was currently in Tyler, TX and does not know the address to their home in Fort Worth because they had recently moved. Both Michelle and I attempted to contact Johnathan's father (Paul), who was at home, but neither had any success in making contact.

I attempted to call Johnathan on the cell phone number provided by Colleen and did not receive an answer after ringing several times. I tried to contact him again shortly after the first attempt and his phone went directly to voicemail, as if he had turned the phone off.

Colleen informed officers that she believed Johnathan was staying at the Zaza Hotel tonight with an individual by the name of Garrick Patterson, but stated that she did not personally know him and did not have any contact information for Garrick. I called the Zaza Hotel in an attempt to make contact with Garrick to see if Johnathan had returned to the hotel but management was unable to provide any contact information.

Officers were unable to locate Johnathan after searching the area.

Due to the location of the assault being in another cities jurisdiction, combined with Colleen's apprehensiveness about making a report, an information only report was completed.

Sgt Burchfield was notified and made the scene.

Axon camera footage of officer interaction with Colleen was captured and downloaded to evidence.com.

Part 2 of the report:

On 1-30-16, I, Officer A Owen 3861 was contacted by Sgt Burchfield in reference to an earlier report taken involving an individual by the name of Johnathan Manziel. Sgt Burchfield instructed me to make further attempts to locate Manziel and receive positive confirmation earlier in the morning. A point of contact that I was originally unsuccessful in making contact with was that of Johnathan's father, Paul Manziel at *****. I attempted to make contact with Paul again and was successful on this attempt. I reached Paul at the aforementioned telephone number and introduced myself as Officer Owen with the Fort Worth Police Department. I then went on to further explain that I was calling in reference to an incident involving his son and a girlfriend of his. I explained to Paul that at this point, officers were still interested in locating Johnathan and asked if Paul had seen Johnathan or spoken with him today. Paul informed me that he had seen Johnathan and that Johnathan was doing fine. Paul then went on to say that he does not wish to further comment on the situation. Paul then requested that officers not contact him again unless there is an existing warrant. CSSU was not notified
